Tuition & Fees Notes

The registration fee of \$200 is non-refundable, paid at the time of registration, and cannot be added to tuition management.

The fundraising and activity fees, formerly SPIRIT, are billed in July. Payments are due by December 1. Families are expected to participate in fundraisers and volunteer their time at designated events. Those who fulfill their fundraising and volunteer requirements by June 30th will have these fees covered for the next school year. Tracking of hours and fundraising for each school year begins July 1st.

The activity fee is based on 50 volunteer hours (K-8) or 25 volunteer hours (Pre-K) at \$5 per hour. For those in K-8 only, every hour you volunteer above the required 50, you will receive \$5 per hour credit, up to a maximum of \$250, which will apply to the following year's tuition.

It is the responsibility of the volunteer to ensure that he/she signs in for all service hours and maintains his/her own records. You are able to track your progress on the "Parent Web" section of the website.

Other than parents and legal guardians, three additional family members may participate in these activities on your behalf to accrue service hours and/or fundraiser participation.
